101 BLUE PRIDE DRIVE • LAWTON, MICHIGAN 49065

March 16, 2020

Dear LHS Parents and Students,

I would like to update you on the process we will use to deliver content for the next few weeks while we are closed. Teachers will be using Google Classroom, email, teacher webpages, Khan Academy and Power School to deliver instructional materials. Students are expected to complete assignments to the best of their ability and to communicate with their teachers via email and Google Classroom. Teachers will be checking their emails regularly and will be updating lessons as needed. All students should plan to use their Khan Academy account for 1-2 hours per day. This will be monitored by all teachers. Should you need to reset your Khan Academy password, you will need to contact customer service at College Board via phone 866-756-7346. If students cannot log into their email, parents may email [helpdesk@vbisd.org](mailto:helpdesk@vbisd.org) or call 269-624-7907.

Exams that were scheduled for Friday, March 13<sup>th</sup> will be exempt from your final grade. If you choose to take the exam upon return to school, you will need to schedule that with your teacher within the first three days of the new trimester and take the exam by Friday of our return week.

Mrs. Otto is trying to fill the final pages of the yearbook. If you have pictures of your activities during the mandatory closing time, please feel free to email those to her.

March is reading month and we will continue to have our reading incentive program. If students are reading at home, log your minutes and have parents sign to verify reading time. We will still enter students in our prize drawing upon return to school. If you do not have internet access and cannot do your work on line, please keep reading and try to keep your skills sharp.

I look forward to seeing everyone soon, in the meantime, keep up with your studies to the best of your ability and stay safe.

Sincerely,

Ms. Wilson, Principal
