THIS AGREEMENT, ENTERED into this 16th day of August, 2021 by and between the Board of Education of the Lawton Community Schools, Lawton, Michigan, hereinafter called the "Board" and the VBCEA/Lawton Education Association – MEA-NEA, hereinafter called the "Association."

PURPOSE

The purpose of this Agreement is to set forth wages, hours and other conditions of employment.

ARTICLE I RECOGNITION

- A. The Board hereby recognizes the Association as the sole and exclusive bargaining representative for all certified classroom teachers, contracted to work or who have worked in the same position over sixty (60) work days, reading teachers, and guidance counselors under contract with the Board, but excluding supervisory and executive personnel and office, clerical, maintenance, operating employees, substitutes, and all other employees. The term 'teacher' when used hereinafter in this agreement, shall refer to all employees represented by the Association in the bargaining unit as above defined, and references to male teachers shall include female teachers.
- B. The Board agrees not to negotiate with any teachers' organizations other than the Association for the duration of this agreement.

ARTICLE II ASSOCIATION AND TEACHER RIGHTS

- A. Nothing contained herein shall be construed to prevent any individual teacher from presenting a personal complaint and having the personal complaint adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement. It shall be the responsibility of the individual teacher to request a representative of the Association to be present if he/she desired representation at the individual complaint adjustment.
- B. The Association and its members shall have the right to use school building facilities at other than school hours for meetings, providing the meeting is properly scheduled with the Superintendent.

- B. The Board will protect teachers against any loss, damage or destruction of clothing or personal property, except any registered motor vehicle of the teacher as a result of an assault while on duty in the school or on the school premises, if restitution is not made by the aggressor or covered by the Employee's insurance.
- C. Since the teacher's authority and effectiveness in the classroom is undermined without administrative backing and support of the teacher, the Board recognizes its responsibilities to give support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physician or other professional persons, the Administration and Board will take steps to serve the pupil.

This statement shall not exceed five typed sheets and shall be included whenever information is divulged to a third party.

A teacher's status with respect to this clause shall be determined on an annual basis. Clause takes effect beginning with the 2019-20 school year and applies only to evaluations conducted while employed by Lawton Community Schools.
- C. A teacher engaged during the school day in negotiation on behalf of the Association with any representative of the Board or participating in any professional grievance negotiation, including mediation, shall be released from regular duties and his/her salary shall be deducted for time lost, to the extent of the substitute salary only. However, every effort shall be made by each party to hold meetings after school hours.
- D. Teachers performing extra-duty assignments as set forth in Appendix B shall be paid in a lump sum on the first payday after all their obligations (including inventory) have been completed, or the second payday if the first payday is too soon to reasonably allow for payment. Teachers will not be paid for extra-duty assignments until their obligations (including inventory) have been completed.
- E. Salary Payment Schedule – Each teacher will be given two payment schedule options as listed below:
 - a. Twenty-six (26) bi-weekly paychecks;
 - b. Twenty-one (21) bi-weekly paychecks;

Each teacher must notify the business office in writing by August 15th, of each school year as to which of the above options he/she prefers. New teachers must notify the business office in writing soon after the initial hire and a week prior to their first paycheck.

New teachers will be placed on Option a. (26 pays) if they do not notify the business office. If a returning teacher does not notify the Board by August 15, he/she will be placed on the same option he/she had the previous year.

Any year in which there are more than two (2) weeks between check #26 of school year and check #1 for the following school year, a trigger will automatically increase the pay schedule to twenty-seven (27) bi-weekly paychecks. - F. Experience credit for new teachers to the system: The amount of credit for prior teaching experience is negotiable between the new teacher and the District and not subject to the grievance procedure. Any anticipated change in degree status or additional hours that may impact the salary schedule for the following year must be announced to the Business Office in writing by April 1 of the year prior to the change taking effect. Failure to notify the Business Office may result in withholding the step advancement until the following year. Central Office staff will provide a reminder via email to all teachers no later than February 1 of each year.
- H. The Board will continue to pay teachers a prorated amount of their salary for teaching a regularly scheduled (marking period) class during their planning time. The per diem rate is calculated by dividing the applicable annual salary by number of contract days.

The Board will pay teachers on a per hour basis at the rate of \$30 per hour for other professional responsibilities as agreed to by the parties, such as substitute teaching for another staff member during planning period. For additional duties requested by the district and performed on non-student attendance days, such as summer professional development, the Board will pay a daily or hourly stipend equal to the current pay rate for substitute teachers.

APPENDIX C

TEACHER INDUCTION AND MENTORING PROGRAM

The Michigan Board of Education believes that the New Teacher Induction/Teacher Mentoring process is: A cooperative arrangement between peers in which new members of the teaching profession are provided ongoing assistance and support by one or more skilled and experienced teachers. This relationship should be collegial in nature and all experiences should be directed toward the development and refinement of the knowledge, skills, and dispositions necessary for effective learning. This process is expected to be mutually beneficial for all parties and to result in improved instruction practice and professional performances.

- A. The Mentor Teacher shall be available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion. Each teacher in his/her first three (3) years in the classroom shall:
1. Be matched with an approved Mentor Teacher
 2. Be provided with a minimum of fifteen (15) days of professional development induction. This shall be scheduled within the regular school day whenever possible.

B. MATCHING MENTORS AND MENTEES

A Mentor Teacher shall be assigned in accordance with the following:

1. Mentor Teacher shall be a tenured teacher with successful teaching experiences of at least five (5) years.
2. Participation of the Mentor shall be voluntary.
3. Each March, the District shall notify and publish the elements of the Mentor Program to all teachers and invite volunteers. The District shall compile a list of potential Mentors by June.
4. The District shall provide each mentor and Mentee a description of the program requirements.
5. Mentors and Mentees should be matched based upon similar jobs, building, areas of certification, and duties. (For example: match specials teacher with another special teacher, matching traveling teachers, etc.) The Mentor and Mentee shall have similar assignments and conference/planning whenever possible.
6. A Mentee shall have only one (1) Mentor at a time, unless otherwise requested. A Mentor shall work with only one (1) first-year Mentee at a time.
7. The Mentor assignment shall be for one (1) year, subject to review. The appointment may be renewed in succeeding years or, a change may be made based on a change in teaching assignment. If either Mentor or Mentee feel the relationship is not providing the necessary help, either may request a change to the Director of Mentoring and Induction and the change shall be made within fifteen (15) days.

8. Because the purpose of the Mentor-Mentee match is to acclimate new teachers and to provide necessary assistance toward the end of quality instruction, the relationship shall not in any fashion be a matter included in the evaluation of the Mentor or the Mentee.
9. Neither the Mentor nor the Mentee shall be permitted to participate in any matter related to the evaluation of the other.
10. No person shall require the Mentor or the Mentee to seek information as to the competence of either party.

C. RELEASED TIME

1. The Mentor shall receive, subject to scheduling with the principal, released time to observe, instruct, and aid the performance of the Mentee in his/her classroom or work station during the regular instructional day.
2. The Mentee shall receive, subject to scheduling with the Principal, released time to observe and conference with the Mentor and/or participate in other approved induction activities.

D. RESPONSIBILITIES AND COMPENSATION FOR MENTORS

1. To qualify as a Mentor, a teacher shall have mentoring training provided by Lawton Community Schools or an Intermediate School District or through approved course work specific to mentoring.
2. The District shall pay the cost of mentor training provided by Lawton Community Schools or an Intermediate School District for any qualified teacher who is interested in becoming a mentor.
3. Mentors shall meet together one time per year to plan induction program activities, reevaluate the New Teacher Induction and Mentoring program, and update the New Teacher Handbook.
4. The District shall provide each Mentor with a Mentor Handbook outlining the roles and responsibilities of mentorship.
5. Each Mentor is responsible for meeting with his/her Mentee at least four (4) times during the year. Each Mentor who is assigned to a Mentee shall be paid as follows:

First Year	\$300
Second Year	\$200
Third Year	\$100

E. NEW TEACHER INDUCTION

1. The District shall develop a program of classes and/or experiences that shall satisfy the requirements for New Teacher Induction at no cost to the Mentee. Professional development shall be scheduled within the regular workday and year whenever possible. The District shall provide a list of programs/experiences along with dates and times to each Mentee. The Mentee may elect to satisfy

the induction requirement of fifteen (15) days of professional development through District-provided programs.

2. Regular in-service days provided by the District beyond the number required of all teachers by law shall be accepted as professional development experiences toward fulfillment of the induction requirement.
3. The District shall provide each Mentee with a New Teacher Handbook.
