Tuesday, April 28, 2020

Good Evening LES Families,

We are thrilled with the excitement for learning that our LES students and families have shown this week. Our strength as a community certainly shows in the positive way our staff, students, and families continue to move forward! This is a difficult time for many of us. Each family situation is very diverse! Please know that we understand how different every situation is and that we are here to support you in any way that we can! Our learning plan was created to give students a structured learning plan using the essential standards for each grade level. This plan was laid out in a format that gives you specific academic tasks M-Th and then leaves Friday open for you to catch up if you need it. You can also work ahead at any time using some of the enrichment activities that were provided by related arts, Mrs. Sparks, and/or your grade level teacher. This plan is for you to use in a way that best fits your family. We assure you that if you have any questions or concerns, we can work with you to help your student and family feel successful! Our goal through all of this is to continue the learning while also cultivating lasting relationships and giving support where it is needed!

Classroom material pick up will happen on Monday, May 4th. Your student's materials will be bagged and waiting for you with your child's name attached. We are asking that you arrive in the elementary parking lot, practice social distancing, and walk to the area labeled for material pick up. We will have the bagged materials grouped by the classroom teacher. If you have multiple students, please come at the oldest student's scheduled time, and we will have all of your children's things together. Thank you for wearing a mask and practicing social distancing during this time!

Material Pick Up Monday, May 4th

9:00-10:00 am	Kindergarten
10:00-11:00 am	1st Grade
12:00-1:00 pm	2nd Grade
1:00-2:00 pm	3rd Grade
2:00-3:00 pm	4th Grade
3:00-4:00 pm	5th Grade

LifeTouch Spring Picture packets arrived after Spring Break. We will have these packages available for those that are interested during the material pick up times as well. The full package will be sold at a discount of \$20.00. You will be able to view the picture through a clear opening on the package. You can then decide if you would like to purchase the full package. If so, you can write a check to LifeTouch for \$20.00. We will collect your check, and you can have your packet to take home.

Please continue to reach out with any questions or to give valued feedback! We have a little feedback for our LES students and families. YOU ROCK, keep it up, and we appreciate you! Have a wonderful evening!

Sincerely,

Heather M. Olson
