

LAWTON HIGH SCHOOL

101 BLUE PRIDE DRIVE • LAWTON, MICHIGAN 49065

April 13, 2020

Dear LHS Parents and Students,

I would like to update you on the process we will use to deliver content for the next week while we organize for the implementation of our Continued Learning Plan. This plan is scheduled to be ready to roll out by April 20th. This plan will include new learning/lessons and will be a means for students to earn credit if they participate and are successful. Should a student not have a device, one can be provided. If a student cannot access the internet, they may request packets from their teachers. In the meantime, I will be emailing links to an educational resource produced by the Michigan Association of Secondary School Principals called From Me to You

https://massp.com/sites/default/files/documents/toolbox/Weekly%20Learning%204-13_0.pdf This resource along with any others such as Khan Academy will also be on our website under resources. Teachers will still be communicating with their students but will limit academic work to one time per week until the plan is finalized. Teachers will still be checking their emails regularly and will be calling their achievement students to do a wellness survey.

All students should continue to use their Khan Academy account for 30-60 minutes 2-3x per week. Should you need to reset your Khan Academy password, you will need to contact customer service at College Board via phone 866-756-7346. If students cannot log into their email, parents may email helpdesk@vbisd.org or call 269-624-7907.

I still do not have a clear answer on whether or not we will be able to have an in person graduation or if we need to make alternate plans. Whatever happens, we will find a way to properly and safely honor our graduates. Seniors should keep up on their classes like all the other students as we will be requiring completion of credits in a modified form in this new plan.

I look forward to seeing everyone soon, in the meantime, keep up with your studies to the best of your ability and stay safe.

Sincerely,

Ms. Wilson, Principal
