

June 1, 2020

Dear LHS Parents and Students,

It is hard to believe the school year is almost over and we have made it through this new way of teaching and learning. The last scheduled day of school is June 10th. All students must have their assignments turned in by the dates requested by their teachers as grades need to be determined by that last day of school. Seniors last required day was May 28th but have until June 10th to complete work if needed.

The grading options a student will receive are as follows:

OPTION #1

For students with A's.

A = Exceeded expectations

OPTION #2

For students getting a Credit in the Class in which they are enrolled.

CR -- Credit in the class in which they are enrolled.

OPTION #3 [Use in Named Graduation Requirements only]

For students enrolled in a required core class getting an elective credit but must take the class again. This keeps them on track for graduation even if they will be required to retake the core class.

EC -- English Elective Credit

MC -- Math Elective Credit

SCIC -- Science Elective Credit

SSC -- Social Studies Elective Credit

HC -- Health or PE Elective Credit

Option #4

For students that completed little or no work.

NC-No Credit

Students receiving No Credit or the Elective Credit may want to make up that class during summer school. You will receive a letter in the mail after June 10th if summer school is recommended.

Next week, we will have three dates available for you to return your Chromebooks, textbooks, choir gowns or any other items that belong to the school. **These items must be returned on one of these three days:**

Monday, June 8th- 11:30-12:30 & 5:00-6:00

Tuesday, June 9th-11:30-12:30 & 5:00-6:00
